

Final External Auditor Report and Certificate 2019/20 in respect of Shotgate Parish Council – EX0217

Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

External auditor report 2019/20

On 29 November 2020, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2020. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2019/20 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

The smaller authority failed to approve the AGAR in time to publish it before 1 September 2020, the date required by the Accounts and Audit Regulations 2015 as amended by SI 2020/404 the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020, and did not disclose this by answering 'No' to Section 1, Box 1.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.:

- Information received from the smaller authority indicates that assets purchased during the prior and current year have not been included in Section 2, Box 9 and should read £38,957 for the year 2018/19 and £39,888 for the year 2019/20.
- Information received from the smaller authority indicates that no financial records were held from October 2018 onwards. As a result, the Clerk and RFO have been unable to confirm the majority of the figures in the 2019 column of Section 2 of the AGAR.
- The figure in Section 2, Box 3 is incorrect. Information received from the small authority suggests this figure should be £3,927. This would therefore mean Section 2, Box 7 for the current year is also incorrect.

The smaller authority has confirmed that it owns fixed assets which are irreplaceable, but that the recognition policy for those assets is to value them all at £Nil. This policy does not give a reader of the Accounting Statements the ability to draw any meaning from the Box 9 figures stated on the AGAR or to recognise any changes in those assets year to year. The Practitioners' Guide (the Guide) states that smaller authorities 'need to apply a reasonable approach to asset valuation which is consistent from year to year'. Under this range of possible approaches, all assets are expected to carry some value, however small. In particular, the Guide states that where assets are gifted at zero cost to the authority, they should be recorded at a nominal value of £1. The smaller authority should therefore reconsider the valuation policy for all fixed assets and draw up a policy to be approved by the authority and recorded in both the authority's minutes and in the asset

register. When submitting the 2020/21 AGAR, the smaller authority should ensure that the 2019/20 comparative figure in Box 9 is restated for consistency and comparability.

Section 1, Assertion 5 has been incorrectly completed. Information received from the Internal Auditor suggests that a risk assessment was not approved during the year and so Assertion 5 should have been responded No.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as amended by SI 2020/404 the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 as it failed to make proper provision during the year 2020/21 for the exercise of public rights, since the period for the exercise of public rights was less than 30 consecutive working days in length and the period for the exercise of public rights did not start on or before 1 September 2020. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2020/21 and ensure that it makes proper provision for the exercise of public rights during 2021/22.

In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to significant weaknesses in relation to risk assessment and have not reviewed their financial regulations and standing orders throughout the year. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
